

Below is a general list of **CME accredited activities*** on iLearnPeds.com and their reporting status for CE Broker.

	<p>The following activities report credit AUTOMATICALLY to CE Broker when a qualified learner is awarded CME Credit:</p> <ul style="list-style-type: none"> • Live Pediatric Grand Rounds • Virtual Pediatric Grand Rounds • Live Faculty Development Sessions • Virtual Faculty Development Sessions • Practical Community Pediatric Series Sessions • Hand & Peripheral Nerve Conference Series Sessions
	<p>The following activities report credit based on a REPORTING SCHEDULE to CE Broker when a qualified learner earns CME Credit. The schedule is communicated to the learner and varies for each activity:</p> <ul style="list-style-type: none"> • The Annual Pediatric Postgraduate Course • The Annual General Pediatric Board Review & Self Assessment Course • The Annual Human Growth Foundation Day • The Annual Pediatric Hospital Medicine Self Assessment Course • The Annual Pediatric Critical Care Self Assessment Course
	<p>The following activities DO NOT report credit earned to CE Broker, automatically or otherwise. Learners completing these activities will have to Self-Report earned credits to CE Broker:</p> <ul style="list-style-type: none"> • The Weekly Cardiology Conference Series • The Weekly Radiology Conference Series • The Weekly Tumor Board Conference Series (including Neuro-Oncology and Cellular Therapy Educational Sessions) • The Monthly Trauma Conference Series

** The Nicklaus Children's Hospital Department of Medical Education, and by extension iLearnPeds.com, is **only** registered to report **CME credits** to the **Florida Board of Medicine**, and **only for Medical Doctors**. Some activities may offer other credits (such as CE, CEUs, etc.) – these credits must be self-reported by the learner. As we are not registered with additional licensing boards, other Learners (such as Doctors of Osteopathy, Nurse Practitioners, Nurses, Physician Assistants, etc.) must also self-report any earned CME Credit.*
